INSPIRING SKILLS PROGRAMME

IMPROVING
KNOWLEDGE AND
UNDERSTANDING
OF SKILLS COMPETITIONS

Purpose

The workshops are designed to enable practitioners in post-16 education to improve their knowledge and understanding of skills competitions in Wales, UK and internationally.

They will also provide the skills to enable practitioners to embed competitive activities within their curriculum and the workplace, and to provide coaching to learners to be able them to achieve their full potential.

Workshops

The Purpose and Importance of Skills Competition Activity

1 hour duration

Embedding Skills Competition Activity into the Curriculum / Workplace

2 hour duration

Aims

Increase engagement and participation in Skills Competition Wales, WorldSkills UK and SkillBuild Competitions

Support competitors on their journey to international success

Raise the profile of skills in Wales by providing a platform to benchmark and challenge standards across a range of sectors

The workshops are Quality Marked by Agored Cymru

The Agored Cymru Quality Mark is a measure of excellence for learning programmes. It is an endorsement and celebration of outstanding learning and development practice in Wales.
