# Skills for the future

## Policy to Profit

06.11.25 08:30 - 15:45 The Village Hotel, Swansea

Discover the possibilities at this exciting one-day event, where you'll have the chance to connect with leading voices in green and AI policy, unlock new funding opportunities, and explore practical ideas for sustainable success. Join us to learn, collaborate, and see for yourself how these innovations can spark real growth for your business.

### What to expect from the event

#### Discover how your business can thrive:

- Stay ahead of evolving green legislation and turn compliance into competitive advantage
- Unlock funding opportunities to power your sustainability journey
- Tap into regional growth initiatives like the Celtic Freeport
- How can AI make business processes easier
- Get inspired by real-world success stories from businesses

Regional Learning & Skills Partnership

Partneriaeth Dysgu a Sgiliau Rhanbarthol

We're thrilled to invite you to our upcoming event this November. We're bringing together some of Wales' most forward-thinking leaders, innovators, and changemakers to explore the future policy direction of employability, skills, and regional growth. From AI to Net Zero, apprenticeships to immersive careers it's all here. Sign up today -

<https://forms.office.com/e/Xnz1KWcZEn>

### Confirmed Speakers Include:

- **Neil Surman**, Welsh Government – Priorities for Employability and Skills
- **James Owen**, Medr – Joined Up Futures: Shaping a Tertiary Education System
- **Ed Tomp**, Celtic Freeport Board – Opportunities for Regional Economic Growth
- **Heather Davidson**, Medr – Review of Apprenticeship Provision in Wales

### Workshops:

- **Why Should Businesses Adopt AI?** With Chris Elias (Perago), Marc Scourfield (Jenkins and Davies), Rod Howells (Bic Innovation)
- **Every Job is a Green Job.** With Andrew Granville (Welsh Government), Dan Taylor Peter (Cwm Environmental), David Jones (Crown Estate)
